RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

In response to the Notice to File Corrected Application Paper mailed January 29, 2002 (copy attached), submitted herewith is a substitute specification (Abstract, 22 pages of specification and 56 claims) to replace the specification filed with on January 16, 2002. The substitute specification contains no new matter. Since the substitute specification is submitted only in view of alleged incorrect margins of the original specification, there appears to be no need to supply a marked up copy of the substitute specification.

Respectfully submitted,
